Case No. C11-2042-RSM

REPORT AND RECOMMENDATION

16 Plaintiff filed an application to proceed *in forma pauperis* (“IFP”) in the above-entitled  
17 action on December 8, 2011. Dkt. 1. By Order dated December 13, 2011, the Court denied  
18 plaintiff’s application to proceed IFP as deficient because plaintiff failed to file a written  
19 consent for payment of costs from any recovery in this action, as Local Rule CR 3(b) requires.  
20 In addition, the Court advised plaintiff that the Court has approved a new Declaration and  
21 Application to Proceed In Forma Pauperis and Written Consent for Payment of Costs form that  
22 needs to be submitted in place of the prior form, which was submitted by the plaintiff.

23 Plaintiff had until January 13, 2012, to correct these deficiencies and submit the new  
24 IFP and consent form. To date, however, plaintiff has failed to do so. Therefore, the Court  
25 recommends that this 42 U.S.C. § 1983 action be DISMISSED without prejudice for failure to  
26 prosecute.

1 A proposed order accompanies this Report and Recommendation. The Clerk is  
2 directed to send copies of this Order to plaintiff to the Honorable James P. Donohue.

3 DATED this 27th day of January, 2012.
